Countdown to Improved Crash Data
Update on the new Wisconsin Crash Database and Crash Form
Jun 2016 (Six months to go)

Dear Transportation Safety Partner:

As we communicated in the May newsletter, we want to make sure that all the law enforcement agencies (LEAs) are trained on the new crash forms and are ready to use it beginning January 1, 2017. While this training is not mandatory, there have been significant changes to the forms and training is strongly advised. Please find the training dates, locations below and complete your registration by **July 8, 2016** using the below link.

- We encourage you to register for one of these dates by July 8, 2016. If you have questions or if you face any problem with the registration tool, please feel free to contact us at the email below.
- We will provide one laptop for two participants, loaded with TraCS10 (new crash forms).
- Electronic copies of the training materials will be made available (Power Point Presentation with notes) to class attendees.

Thank you for your partnership in transportation safety. Improved data will assist all of us with our data-driven approach to drive fatalities toward Zero in Wisconsin.

If you have questions about TraCS10 or if your agency needs assistance with new equipment or training to submit crashes electronically, please contact WisDOT at crash.database@dot.wi.gov.

Sincerely,

Wisconsin Crash Database Project Team
