Traffic Safety Council
Preliminary Meeting Agenda
May 4, 2006
9:30-11:30, Room 701 (Waukesha Room)

1) Wisconsin Road Improvement Demonstration Program (45 minutes)
   • Speaker: Roy Hinz (AAA)
   • The AAA Road Improvement Demonstration (RIDP) is a public-private partnership designed to enhance traffic safety by reducing the frequency and severity of crashes at high-risk urban intersections. The program expanded to Milwaukee County last year, the first locale outside Michigan in which AAA is deploying the RIDP. Twenty-seven intersections are being studied in the Milwaukee area, with the first intersections scheduled to be completed in late 2006. This year the program was launched in the Madison area where six high-crash intersections have been identified.

2) Review and Approval of Draft, Strategic Highway Safety Plan (30 minutes)
   • Discussion Leader: Major Dan Lonsdorf (DSP)
   • Discussion on progress made to date and Council recommendation on plan approval.

3) Suggestions for another item?? (15 minutes)

4) Membership Reports (15 min)
   • All Members
