ANNOUNCING:  
2007 Work Zone Management and Safety Workshop  
WEDNESDAY, March 21, 2007  
8:30 AM – Noon  
University of Wisconsin-Waukesha  
Northview Building, Room 133  
1500 N. University Drive  
Waukesha, WI  53188-2799

The Work Zone Management and Safety Advisory Group, a multi-discipline, multi-agency group with a vested interest in making highway work zones work better, invites you to attend the 3rd Annual Work Zone Safety Management and Safety Workshop on March 21, 2007 at the University of Wisconsin-Waukesha.

The workshop continues to bring together professionals involved in work zone related safety, design, construction, maintenance, enforcement, and public education activities on Wisconsin highways.

The goals of the workshop are to help continue dialogue among the broad work zone community in Wisconsin by:

- Hearing from Federal Highway Administration officials on National Work Zone Safety and Mobility Issues
- Providing a status of how the Wisconsin Department of Transportation (WisDOT) is implementing the new regulations that govern traffic safety and mobility in highway work zones
- Allowing small group discussions to direct on-going Work Zone Management and Safety Action Plan activities

A registration form and preliminary agenda are attached.

The event is free to attend, but registration is required. See next page for directions and parking information.

For additional information, contact:

Todd Szymkowski, Wisconsin TOPS Laboratory  608.263.2684  szymkowski@engr.wisc.edu
Tom Notbohm, Wisconsin DOT  608.266.0982  thomas.notbohm@dot.state.wi.us
**Directions and Parking**

**From the east on I-94**
- Take I-94 to County T Exit (293 Waukesha South)
- Turn south off exit ramp and continue approximately 1 mile on Grandview Blvd.
- Turn right on Northview Road (west)
- Turn left (south) on University Drive
- Follow University Drive to Campus

**From the west on I-94**
- Take I-94 to County G Exit (291)
- Turn south off exit ramp and continue on Meadowbrook Road to Northview Road
- Turn left on Northview Road (east)
- Turn right (south) on University Drive
- Follow University Drive to the Campus

**From the north on US 41/45**
